FLOOR DISPLAY

APPROXIMATELY 5' HIGH & 14" SQUARE

The Floor Display includes a rotating base with wheels that can be stacked with up to 6 or 7 tiers, making for a space-saving yet elegant display. Every floor display requires the selection of one header and one base, available in either black or beech (see below). The 6-tier combination as shown can hold approximately 190 books. In addition to holding a large selection of journals, there is also an Accessory Tier option for the Floor Display, as well as a new Stick-on Accessory Display (see next page for details).
Recommended maximum height: 67"

ACCESSORY TIER AND STICK-ON ACCESSORY DISPLAY

Our Accessory Tier and Stick-on Accessory Display are great ways to add new items of interest to your floor display. Whether you'd like to offer a large selection of bestselling accessories or just a few impulse purchase items, these two options increase the customizability of the floor display in your store.

COUNTERTOP DISPLAY

The Countertop Display can be built by selecting a turntable base and your preferred tiers (see facing page), allowing for viewing from any angle. It can be stacked with any combination of 2 to 4 tiers, including our Accessory Tier (as shown). This display can be built up to a Floor Display by simply changing the base and adding more tiers.

The Accessory Tier comes with customizable metal hooks that can be adapted to different packaging sizes and holds up to 75 bookmarks, 24 4-pack pencils, and 36 washi tape packages within each section of the tier. With 4 sections to fill within the tier, you can customize each section based on your product preferences. The accessory tier can also fit the corrugated Accessory Display which holds 9 pencil cases or 15 playing card decks.

ORDERING INFORMATION

Step 1: Choose a display and select the corresponding header and base.

Step 2: Select tiers to make up your customized display unit.
Select the tiers based on the formats you wish to order.
For our Floor Display, we recommend starting with the following tiers: 2 mini, 2 midi, and 2 ultra.

Step 3: Select products to fill your display.
To fill your display, use the average capacity of each tier (listed on facing page) to calculate the approximate number of items you should order. Write down the unique item number for the header, base, tiers, and books or other products on your order form. For further information, contact Customer Service (see back cover of this catalogue).
