The Map to Everywhere Series

ABOUT THE SERIES

To master thief Fin, an orphan from a murky pirate world, the Map to Everywhere is the key to finding his mother. To suburban Arizona schoolgirl Marrill, it's her only way to save her world and all the people she loves. On the Pirate Stream, the magical waterway connecting every world in creation, you never know what can happen! With the help of the bumbling wizard Ardent and captain Col and his crew, Fin and Marrill go on a hunt that will take them through treacherous worlds and dangerous waters, just barely ahead of a frightening enemy.

This fantastical adventure series by Carrie Ryan and John Parke Davis will set you on the course for a heart-pounding and unforgettable tale!

ABOUT THE AUTHORS

Husband and wife Carrie Ryan and John Parke Davis have been in love with each other's writing (and with each other) since meeting in law school a decade ago. Carrie is the *New York Times* bestselling author of the critically acclaimed and multi-award-winning Forest of Hands and Teeth series, which is based on a world she and JP created together. She is also the author of *Daughter of Deep Silence* and *Infinity Ring: Divide and Conquer*, and the editor of *Foretold: 14 Tales of Prophecy and Prediction*. JP is the First Assistant Federal Defender for the Western District of North Carolina, as well as a published author of short fiction. Although they've been important parts of each other's writing for years, the Map to Everywhere series is their first full collaboration.

They live in Charlotte, North Carolina.
