## ACTIVITIES

### MAKE YOUR OWN SLIME

It might take buckets of glue to make as much slime as the Frog Prince did, but you can make your own slime with this recipe!

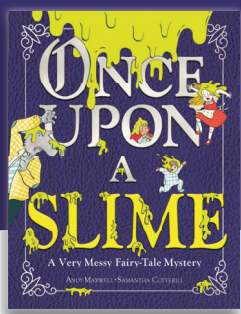

#### SUPPLIES:

- |  |   |
|--|---|
| <input type="checkbox"/> Plastic tablecloth or trash bag | <input type="checkbox"/> Food coloring (optional) |
| <input type="checkbox"/> Measuring cups and spoons       | <input type="checkbox"/> Glitter (optional)       |
| <input type="checkbox"/> Bowl                            | <input type="checkbox"/> Baking soda              |
| <input type="checkbox"/> Washable clear or white glue    | <input type="checkbox"/> Saline solution          |
| <input type="checkbox"/> Water                           | <input type="checkbox"/> Ziploc bag               |

#### DIRECTIONS:

1. Lay down a plastic tablecloth or a trash bag to protect the table.
2. Measure  $\frac{1}{2}$  cup of glue and pour it into the bowl.
3. Add  $\frac{1}{2}$  cup of water and stir the two ingredients together with a spoon
4. Once well mixed, add food coloring and glitter if you like!
5. Add  $\frac{1}{2}$  teaspoon of baking soda to the mixture and mix it in. Add less for oozy slime and more for a putty-like slime!
6. Add 1 tablespoon of saline solution to the whole mixture.
7. Stir fast!
8. Knead your slime, using a bit of the saline solution on your hands to reduce stickiness. Store your slime in a Ziploc bag!
