

WELCOME TO THE CREATIVITY PROJECT!

This hat is formatted for 11" x 17" paper, but you may wish to print it poster-style on two sheets of 11" x 17" for adult sized head (because adults can be creative too!). To make the hat, simply fold along the marks. Then follow the prompts to stimulate fun, or create your very own prompts.

You can share pictures on Twitter by tagging @lbschool or by using the hashtag #CreativityProject.
