

# NELLIE'S TIPS

FOR

# Cub Reporters

- Good stories have to answer five questions: *Who? What? When? Where? and Why?*
- Always have a notebook and two pens in your back pocket.
- Trust your notes, not your memory.
- Be brave enough to ask questions.
- Triple check your facts! If you make a mistake, correct it as soon as possible.
- Be respectful. Always remember: "Everyone has a story, and every story is important."
