Different Size

Look at the picture of the bugs in each row. Circle the picture of the bug in each row that is a **different size** than the picture at the left.

Bigger and Smaller

Look at the musical instruments in each box. Color the one that is **bigger**.

Look at the musical instruments in each box.

Color the one that is **smaller**.

What Goes Together?

Draw a line from the things in the top row that go together with those in the bottom row.

Draw something in the box below that goes with a barn.

Find the Pattern

Look at the patterns below. Circle **yes** if the patterns are the same. Circle **no** if the patterns are different.

Are these patterns the same?

Yes

No

Are these patterns the same?

Yes

No

Are these patterns the same?

Yes

No

Shape Patterns

Help the cow get to the barn by following this **shape pattern** in the maze below.

What Goes Together?

Look at the pictures in each row. Three of the items go together and one does not. Draw an **X** over the item that does **not** go with the rest.
