

# Don't Litter

Littering is against the law. It can hurt animals.  
It is important to clean up your garbage.  
No one wants to be a litterbug! Color the sign below.

# Help Keep Our Planet Clean!

Circle all of the things that do not belong in nature.

# Reduce, Reuse, Recycle

To **reduce** is to try to throw less trash away.

To **reuse** is to try to get new uses from things.

If you no longer need or want something, pass it on!

To **recycle** is to take something old, make it new, and use it again.

Look at the items below. Help **recycle** them by sorting them and drawing a line from each one to the correct **recycle** bin.

Three blue recycling bins are shown on the left, each with a white recycling symbol and a label: 'PAPER', 'PLASTIC', and 'CANS'. To the right of the bins are various items: a metal can, a plastic bottle, a newspaper, another metal can, another plastic bottle, another metal can, another plastic bottle, another metal can, another plastic bottle, and another newspaper. The task is to draw lines connecting each item to its correct bin.

# Reduce, Reuse, Recycle

Help the newspaper find its way through the maze to its recycle bin.

A maze is shown with a green leaf pattern. At the top left, a newspaper labeled 'NEWS' has a blue arrow pointing into the maze. At the top right, a cartoon Earth character with arms and legs is standing. At the bottom right, a blue recycling bin labeled 'PAPER' has a blue arrow pointing into the maze from the bottom. The task is to trace a path from the newspaper through the maze to the recycle bin.

# Seasons: Winter

During the winter, it gets very cold. It can even snow! Circle the clothes that you would wear in the winter. Then trace the word for the season.

WINTER

# Seasons: Spring

During the spring, the weather starts to get warmer and trees grow their leaves again. Rain showers in spring help plants grow. Circle the things that you would wear in the spring. Then trace the word for the season.

SPRING

# Seasons: Summer

In the summer, it can get very hot.  
To cool off, people like to go swimming!  
Circle the clothes that you would wear in the summer.  
Then trace the word for the season.

SUMMER

# Seasons: Fall

In the fall, the weather starts to get cooler  
and the leaves begin to change. Circle the  
clothes you would wear in the fall.  
Then trace the word for the season.

FALL

# Seasons

Draw a line to the correct season for the objects below.

Summer

Fall

# Weather

Draw a line connecting the **weather** to its name.

Sun

Rain

Wind

Snow

# Life Cycle of Plants

Flowers grow from seeds. Label the drawings from 1 to 4 to show the plant life cycle. Color the flower when you are done.

# Parts of Plants

Label the parts of a flower using the words below.

roots stem leaf petals

Color the roots 

Color the stem 

Color the leaves 

Color the petals any color you like!

# Fly or Swim?

Draw a line from each animal to the sky if it can fly or to the sea if it can swim.

# Animals and Their Sounds

Match the animal to the sound it makes.

oink

chirp

moo

meow

bark

ribbit

roar

# Beautiful Butterfly!

Cut along the outside of the art, following the arrows. Fold the wings along the dotted line. Attach a Popsicle stick to the back of the butterfly's body to make a puppet.
