

# Traffic Lights

The color of a traffic light tells cars what to do. **Red** means stop, **yellow** means slow down and look for cars, and **green** means go. Color in the traffic light and trace the words below.

Draw a line between the traffic light color and what it means.

**GO**

**STOP**

**SLOW DOWN**

# Car Safety

One of these is the correct way to ride in a car. Circle the correct way, and put X's through the incorrect ways.

You should always wear a seatbelt. If you are less than 8 years old and/or 80 pounds, you should use a booster seat too! Color in the picture below.
