

# THE SPRING BOOK STORYTIME KIT

SPRING INTO THE SEASON WITH  
THESE FUN, SEASONAL ACTIVITIES.

## BABY ANIMALS

Lots of baby animals are born in the spring! Did you know there are different names for baby animals? A puppy is a baby dog while a joey is a baby kangaroo! Make a list of animals and their baby names, and look up any that you don't know.

## SPRING EQUINOX

Do you know when the spring equinox is? It marks the day that the sun is over the celestial equator—kind of like earth's equator but in the skies. It is also the day where there's an equal amount of daylight and darkness! Around the world there are different equinox celebrations. Research different places and see how people around the world celebrate springtime!

## SEASONAL SNACKS

Springtime means lots of fruits and vegetables are starting to grow after a long winter. What kinds of foods grow in your area? Visit a grocery store or farmers' market and see what is in season that would make the perfect storytime snack.

## PLANTING PARTY

This is the perfect time of year to plant some seedlings. You can do it easily using a cardboard egg carton! Just make sure to place the carton on a waterproof surface so that it doesn't soak through. Then take a little soil, place the seeds of your favorite flower and cover with more soil. Give the plants water, a little sunlight, and before you know it you'll have a garden!

## POSITIVE PETALS

What do you like about springtime? The flowers? The sunshine? The rain showers?  
In each petal on the flower below, write a different reason you're excited about spring.  
Then decorate the flower to make it as colorful and cheery as the season!
