In order to be eligible, the retailer must furnish proof – to a Hachette Book Group sales representative of its retail sales of the designated promotional titles for the promotional period chosen within the promotional window. Proof must consist of either computer printouts or cash register receipts. Hachette must receive the proof no later than August 31, 2021. Credit will be issued after review of proof of sales.

The suggested retail price for the above titles will remain as originally catalogued and returns on any copies of these books (regardless when purchased from Hachette) will be credited based upon the catalogued retail price and the terms of our returns policy. If a retailer purchased copies from a wholesaler, the retailer must furnish evidence of that purchase to receive direct credit from us. However, if a retailer who purchased copies from a wholesaler does not want to receive its credit from us directly, the retailer can make arrangements with the wholesaler to have the credit issued to the wholesaler for the retailer's account, and we will honor the wholesaler's submission of that credit to the wholesaler's account.
