

## CLASS QUIZ

What better way to figure out your class than by taking a fun quiz? The questions below are meant to cover some of the basic personality traits, views, and attitudes of the twelve classes. Like everything else in this book, this quiz is similar to the Deck of Many Things (a deck of cards in D&D that has magical effects). It's meant to be a guide and possibly a clever talking point that will dazzle someone at a dinner party. So, if you know in your *heart of hearts* that you're a charismatic bard, by all means, go ahead and skip ahead or just ignore the results if they don't match your expectations. Who says that you can't be a fighter who is also a history buff like a wizard? That's right, no one. So, go on and live your most fabulous multiclass life. Are you ready to find out your class?
