

CREATE YOUR OWN HOLIDAY!

In *Every Day's a Holiday* by Stef Wade, a young girl named Winnie just cannot wait for her birthday. To show Winnie that every single day is a cause for celebration, her mom introduces her to holidays from all around the world including National Popcorn Day (January 19), Talk Like Shakespeare Day (April 23), and International Tikka Masala Day (May 7).

Now, you can help Winnie add to her calendar by choosing any day of the year to create your very own holiday!
