How to Send a HUG

LETTER ACTIVITY

Sometimes circumstances prevent us from giving hugs to the ones we love. But the good news is you can SEND a hug. Follow the instructions below to send a big, warm hug to all your loved ones.

1. Choose something to write with.
2. Find the just-right-perfect piece of paper.
3. Create your hug using words or draw pictures or both!
4. When you are finished, fold it very carefully.
5. Put it in a special jacket to keep it safe and warm.
6. Write on the jacket who it is going to.
7. Give your hug a ticket for its trip.
8. Now your hug is ready to mail!
