Dream BIG, Draw BIG

Create a BIG welcome sign for the next time you have a family get together or when a special friend visits. Fill in the sign with ideas and drawings for how you might spend your time having fun.

Keyana Loves Lists

Whether hosting a movie night or planning a sleepover, Keyana loves to make a list with check boxes, lots of colors, bubble letters, and doodles. Get organized (and creative!) by making your own super-spectacular list for the next activity you're planning.

BEST FRIEND DIAGRAM

One of the best parts of friendship is that you get to be different *together*.

Use the two outer circles to write down things that make you and your friend unique.

Use the inner shape to write down qualities and interests you both share.
