

## YOUR SUN SIGN: THE CORE, THE EGO STRUCTURE

Your Sun sign is the nucleus of your personality, and it's what most people think of when asked the question, "What's your sign?" It's therefore an opening to get an overall grasp on who we are as humans.

**WHAT IS YOUR SUN SIGN?** \_\_\_\_\_

Reflect on your Sun sign here. How does it resonate with you?

Just as the year is composed of different seasons, the twelve signs are representative of the four elements (Earth, Fire, Water, and Air).

**WHAT ELEMENT IS YOUR SUN SIGN?** \_\_\_\_\_

Reflect on the element of your Sun sign here. What aspects of its influence do you see in yourself? Which don't you?

**WHAT IS THE HOUSE PLACEMENT OF YOUR SUN SIGN?** \_\_\_\_\_

Study the themes of that specific house placement. In which ways have they played out in your life? How has this house placement helped you on your evolutionary journey, and in what ways may it sometimes appear to hinder your growth?
