

How to Send a HUG

LETTER ACTIVITY

Sometimes circumstances prevent us from giving hugs to the ones we love. But the good news is you can **SEND** a hug. Follow the instructions below to send a big, warm hug to all your loved ones.

1
Choose something to write with.

2
Find the just-right-perfect piece of paper.

3
Create your hug using words or draw pictures or both!

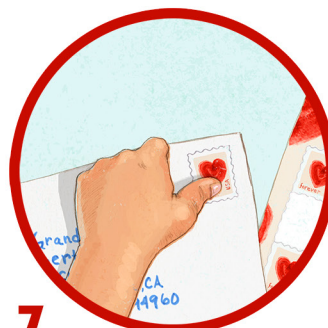

4
When you are finished, fold it very carefully.

5
Put it in a special jacket to keep it safe and warm.

6
Write on the jacket who it is going to.

7
Give your hug a ticket for its trip.

8
Now your hug is ready to mail!
