crochet hooks or sizes needed to obtain
gauge

Notions

Yarn needle

Gauge

8 sts and 6 rows dc = 4"

Special stitch

Shell: 5 dc in same st

About Denise I come from a long line of talented women, and have been designing and creating for as long as I can remember. My mother taught me how to crochet at age eight and had me practice by making a chain from one end of our hallway to the other. I picked up crochet again in the fall of 2002, when I started my indie business www.heydayfashion.com. So many things inspire my design process: vintage fashion, old photographs, rain clouds, and everything cute and kitschy. My wheels never stop spinning and I'm always creating something new. I live in the greater Sacramento area of California with my talented cartoonist hubby and our kitty, Flash. From 9 to 5 you'll find me working as a receptionist while dreaming up cute new designs.

Denise Cozzitorto**one-skein scarf**

● designed this because I wanted a scarf that was warm and long enough so I could wrap it around my neck a couple of times but still have length in the front to show off the pretty stitch work. I also wanted the scarf to be cute and feminine, which would be a nice change from the mundane wool scarves I was seeing in stores. You can add more or take away from the beginning chain of stitches to alter the length, as long as it's a multiple of 4 + 3 stitches. This one was made with a large ball of yarn, but you can make a shorter one with a smaller skein. It's a perfect and pretty pattern for a beginner!

SCARF

With larger hook, ch 203 loosely.

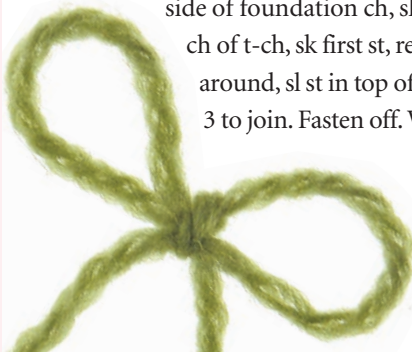

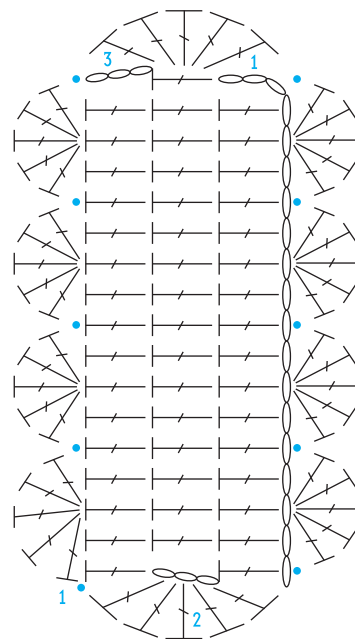

Row 1 (WS): With smaller hook, dc in fourth ch from hook, dc in each ch across, turn—201 sts.

Rows 2–3: Ch 3 (counts as first dc), dc in each dc across, turn—201 sts.

Border
