

Good news! We are invited to visit Little Lamb's farm today.

Hmmm?

You'll meet new friends. It might be good for you.

There's that word *good* again.

I'll go, but I doubt the grass will be any tastier at Little Lamb's.

Oh, Spud, you never know—you might even have fun!

Looks like we have a greeter here.

Oh, Spud, that's just Farm Dog saying hello.

Looks like he needs the leash more than me.

Good morning, Piglets.

Good morning, and how do you do?

Hey! Watch the wool with the muddy pig feet!

No worries, Spud, you're wash and wear, remember?

Are you here for the party?

Party? Are you trying to pull the wool over my eyes?

Look, there's Mother Hen.

Oh, I was missing you.

Me?

Yes, you! Now get under here with the rest of the eggs. Make room, everyone!

What? You think I'm an egg?

Well, Spud, you are round and white.

Wrong story... I guess the yolk's on me.

Are you my mother?

Excuse me, Mr. Barn Cat. Maybe we should keep going...

I need to be around a barn cat like I need to be around a sheep shearing.

Huh, can't you see that I'm busy!?

Weren't you just sleeping?

No, I'm busy looking for mice.

Okay, we'll be on our way. Don't mind us.

See you later, alligator.

In a while, huge white sheep.

Yeah, right under *there*.

We're kind of new here. Did you see where the big striped cat went?

Hee-hee! Made you say *underwear*.

Spud, that's not nice.

Under where?

Tee-hee. Can't help myself.

Let's keep looking for Little Lamb.

The End
