

DEER

WHAT YOU NEED

- 1 sheet of 8½ x 11 cardstock or other heavy paper
 - Scissors
 - Tape
 - Hole punch
 - 12-inch length of elastic cord
-

HOW YOU MAKE IT

1. Print out the mask on the cardstock.
2. Cut along the dotted lines. Notice that one ear is outlined in red and the other ear is outlined in blue.
3. Insert the ear tabs into the slots on the face with the matching color. Secure from behind with tape.
4. Punch small holes at the white dots on the sides of the face. Attach an elastic cord by pushing the ends of the cord through the holes and tying a knot at each end.
