

ELEPHANT

WHAT YOU NEED

- 4 sheets of 8½ x 11 cardstock or other heavy paper
 - Scissors
 - Tape
 - Hole punch
 - 12-inch length of elastic cord
-

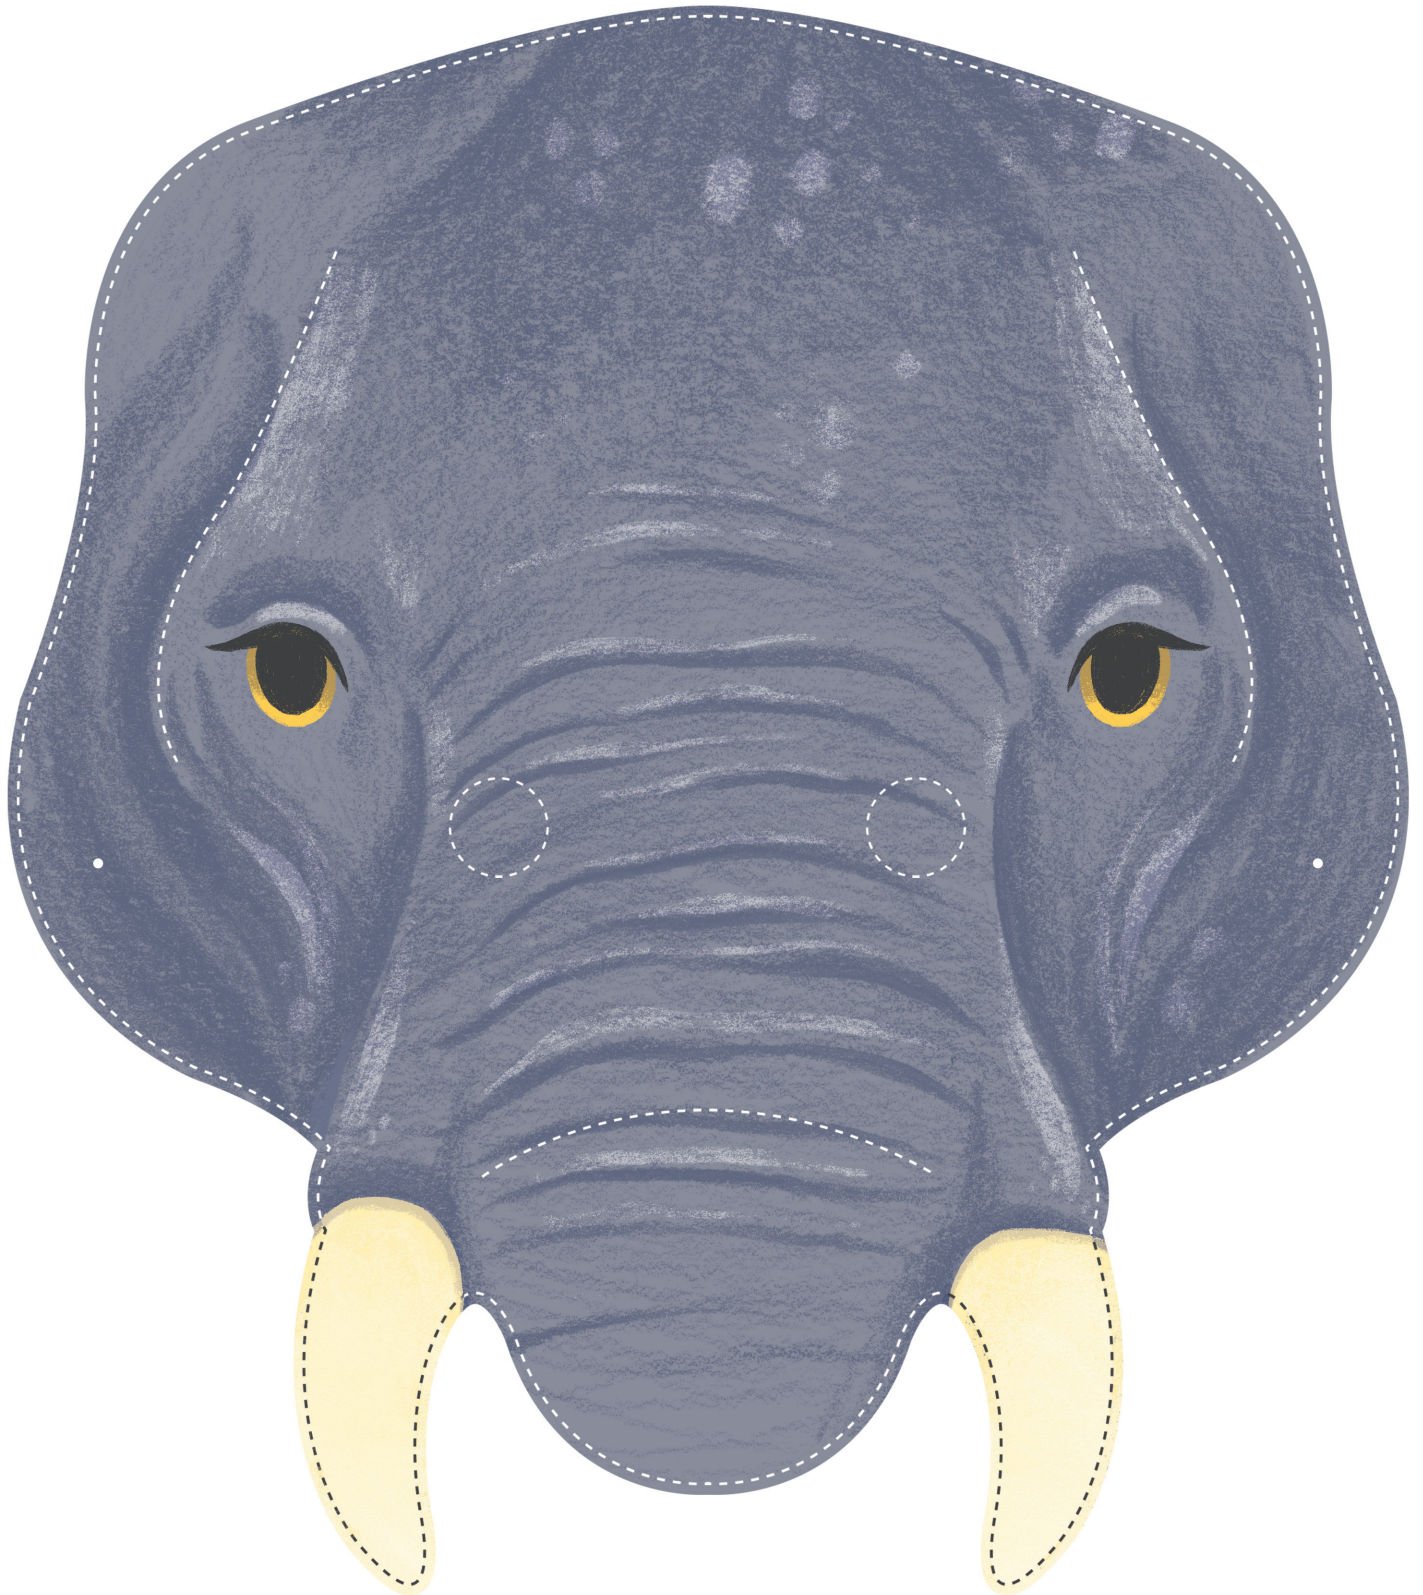

HOW YOU MAKE IT

1. Print out the mask on the cardstock.
2. Cut along the dotted lines.
3. Insert the ear tabs into the ear slots and insert the trunk tab into the trunk slot. Secure from behind with tape.
4. Punch small holes at the white dots on the sides of the face. Attach an elastic cord by pushing the ends of the cord through the holes and tying a knot at each end.
