Francesca

“Frankie”

“Beans”

Schnell

Francesca “Frankie” “Beans” Schnell is about to turn 16 and has never been kissed. She longs for that and so much more, but because of one brief terrible moment, she doesn’t believe she deserves it. When Francesca befriends a little boy who may be the reincarnation of her brother, she starts to believe that maybe she is worthy of being loved.

Lisette,

**Francesca’s
best**

friend

Lisette has everything Francesca wants: a happy family; beauty and confidence; and a handsome, sweet boyfriend, Bradley Stephenson, who Francesca secretly pines for.

Frankie

Sky

Frankie Sky is the fearless four-year-old boy with a hole in his heart who is convinced he can fly and swim. And maybe—just maybe—there’s a good reason . . .

Peter

Pintero

Peter Pintero, Bradley’s friend and country club lifeguard, looks down on Francesca from the top of his throne like the King of Summer. He’s rescued Frankie Sky more than once, but is Francesca the one he’s really meant to rescue?

Bradley

Stephenson

Bradley Stephenson . . . cute, smart, athletic, and kind—basically everything that Francesca wants and needs, if only he weren’t her best friend’s boyfriend.
