

# Counting is as easy as 1-2-3!

Join our family on a trip to the local grocery store and count the items we get along the way. Bonus points if you can tell us the total number of items in the cart at the end!

There are \_\_\_\_ bananas in the basket.

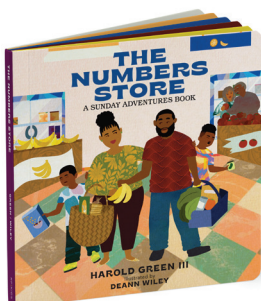

There are \_\_\_\_ plums in our hands.

There are \_\_\_\_ oranges in this bag.

In total, we are taking home \_\_\_\_ pieces of fruit.

Thank you for shopping with us!
