

IT'S FUN TO BE MATH SMART!

Brain Quest Math Workbooks is a new series that joins the multi-million copy bestselling **Brain Quest Workbooks**. Fun, engaging, and vetted by award-winning teachers, each title in the series is aligned with math standards to provide kids in Pre-K through Second Grade with practice opportunities that make math stick. Each workbook includes a progress map and fun stickers to help students track and celebrate each completed section.

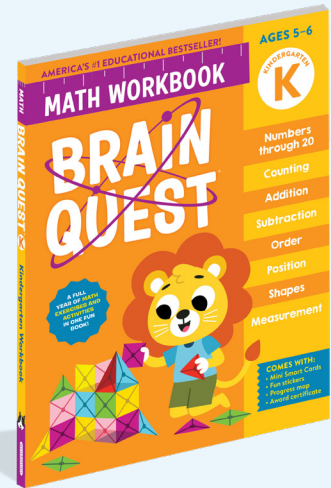

And great news for retailers: the **Brain Quest Math Workbooks** fit into our existing **BRAIN QUEST** pencil display and can be ordered loose to fill in the slots.
