PEEL + DISCOVER®

Underneath every peelable sticker is a hidden fact!

HOW IT WORKS

- 1** Peel a sticker to reveal a fascinating fun fact.
- 2** Use stickers and draw to decorate the activity pages—make them your own!
- 3** Once all the stickers are peeled, remove the overlay for a Peel + Discover surprise.

introduction
The history of the shoe is a long and varied one, from the simple sandals of ancient times to the elaborate and often painful creations of the modern era. In this book, Harriet Quick explores the evolution of the shoe, from its humble beginnings to its current status as a fashion statement. She discusses the different styles and materials used, and how the shoe has become an integral part of a woman's wardrobe. This is a must-read for anyone who loves shoes.
