★ “The thrilling story deepens both character relationships and the magical mythology of the extraordinary world; the same easy charm of the first book is present, but here the stakes are higher, the danger is darker, and Eva must work even harder as a beacon of hope and resilience in the middle of it all.

★ “Bewitching—a must-read for fantasy lovers.” —*Kirkus*

“Abe’s marvelously magical world strikes an excellent balance between the familiar and the whimsical...wonderful world building and realistic bonds to form between the characters. Satisfying.” —*Booklist*

“A novel well worth the read.” —*SLJ*

“This fantasy will appeal to fans of *Kiki’s Delivery Service* by Eiko Kadono and *A Snicker of Magic* by Natalie Lloyd.” —*SLC*

A gripping and enchanting sequel.” —*Booklist*

★ “As captivating and charming as before.... Compelling, suspenseful adventure.... An enchanting, magical read.” —*Kirkus*
