Why Rats Laugh and Jellyfish Sleep And Other Enchanting Stories of Evolution

David Stipp

This lively book brings a Darwinian lens to evolutionary curiosities including caffeine as the perfect poison and the defenselessness of sleep—among many others. By revealing the hidden depths of the ordinary, Stipp demonstrates that fascinating conundrums exist all around us, and understanding them is the best way to connect to the natural world.

flow

Over 1 million in print! Celebrate the healing, creative, magical power of paper with FLOW. In a world where screens are too much with us, people are turning to the tactile pleasures of paper. And no one is better positioned to satisfy that need than FLOW, the groundbreaking group founded to celebrate a love for paper and, through it, positive psychology, mindfulness, creativity, and the beauty of imperfection.
