ACTIVITY KIT

T-MINUS...10...9...8...7...6...

Join the CatStronauts! They do things that cats, cannot!

Major Meowser, pilot Waffles, inventor Blanket, and science officer Pom Pom are fearless felines that go on pawesome adventures. If you're ready for some out-of-this-world fun, grab your friends, a few pens and pencils, and maybe some tuna sandwiches, and jump into this activity kit for a word search, maze, and drawing activities—no space suits required!

If you're looking for even more exciting fun, the CatStronauts all love learning about science and space explorations. Take some of the fun facts from the series, and see what else you can find out! How far away is the moon from Earth? Is there such a thing as space trash? Can robots really make a sandwich? Find out and share with your friends!
