Memory Game

Help Mr. Bee organize the classroom supplies!

1. Cut out the squares below along the dotted lines (or ask an adult to help).
2. Flip all the pictures face down on a table and mix them around.
3. Turning over two images at a time, see if you can find all the matching pairs.
4. Or, play with a friend and see who can find the most pairs.

Can you find the 5 differences between these two classrooms?
