BRAIN QUEST®

SPINNER PENCIL DISPLAY

Customer success story!

"The **BRAIN QUEST** spinner has been remarkable for us. I had gotten it mostly with the workbooks in mind, but the card deck sales have really gone through the roof. The spinner is great because it's not a huge footprint, and it's on wheels, so we can move it to make room for events. **Our sales for the section that includes Brain Quest went up 41% this last year. There's no arguing with numbers.**"

-Katherine Ferguson, Harvard Bookstore

It's the smart move: like Harvard, dedicate a few square feet of your sales floor to a Brain Quest pencil display and watch the sales grow. With its eye-catching design and assortment of perennially bestselling titles, a Brain Quest pencil display puts **America's #1 educational bestseller** front and center—making it as easy as possible for new customers to discover it and existing customers to find the next titles for their kids. The display is sturdy, replenishable, and acts like a beacon to draw shoppers into your children's section.
