HOW TO DRAW A SCUBA CAT

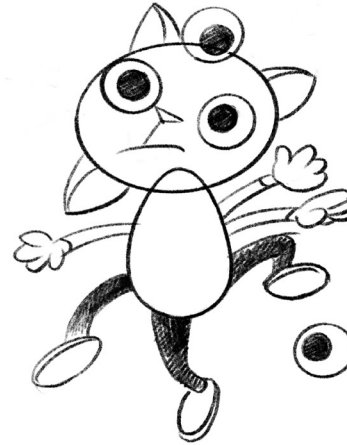

Draw a squashed soccer ball shape on top of an egg shape. Like this:

Now add eyes, a mouth, legs, arms and ears.

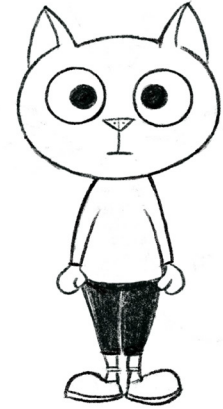

①

NO! WAIT!
Too MANY!

②

That's better.
Now add a tail and whiskers.

And if it's Max, add stripes.

③

ON THE SHIRT!
ON THE SHIRT!

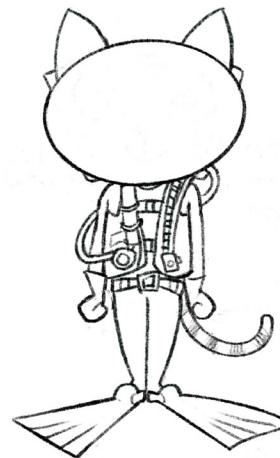

④

Perfect! Now let's dress him
in his scuba gear.

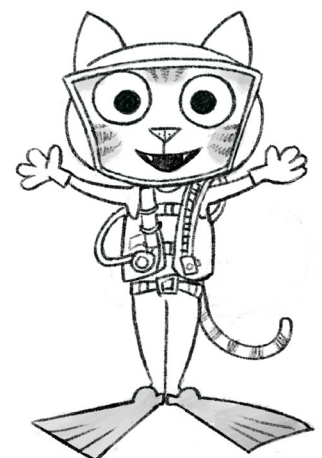

⑤

OK. Great. But his scuba
helmet is on backwards.

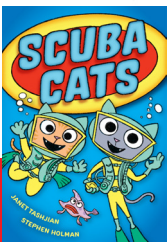

⑥

Finished! You've just drawn a
SCUBA CAT!
