## Snowflake Craft

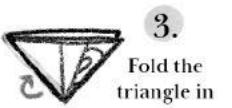

Follow the steps below to make a special snowflake for a friend!

1. Cut along the dotted line to make a square.

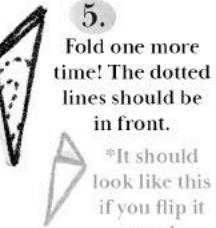

2. Fold the square in half diagonally to make a triangle.

3. Fold the triangle in half to make a smaller triangle.

4. Fold again!

5. Fold one more time! The dotted lines should be in front.  
\*It should look like this if you flip it over!

6. Carefully cut only on the dotted lines!

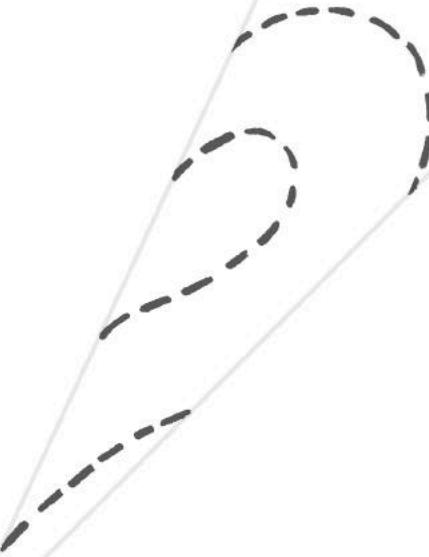

7. Unfold and recycle whatever scraps are left!!
