

Opposites at the Library

Look at each picture and say the word. Color the picture that is its opposite.

Firehouse

Circle the firefighter who has more. If the firefighters have the same number, circle them both.

Reduce, Reuse, Recycle

This park is a mess! Draw a line from each item to its correct bin.

BRAIN BOX

The donate bin or giveaway bin is for unbroken things that can be used by someone else. The recycle bin is for plastic, metal, and glass. The compost bin is for food scraps and yard waste.

BONUS: Look around your house. Draw a picture of something that could be given away or recycled.

Farm to Market

Read about the workers. Then follow the directions.

The farmer grows the wheat.

Draw a line under the farmer.

The miller grinds the wheat into flour.

Draw a circle around the miller.

The baker uses the flour to bake bread.

Draw a triangle around the baker.

The grocer sells the bread at her store.

Draw a square around the grocer.
