ACTIVITY

Create an invitation

Mona is busy creating a birthday party for Mr. Heartwood. She sends out invites to his friends and important past guests. She makes special food and arranges gifts.

Create your own invitation for a special party for animals. What kind of celebration are they having? What kind of food will there be? What time and where is the event? Is it a surprise party for someone? Is it a festival to celebrate the seasons?

Instructions:
Start by printing out this page and cutting out along the dashed lines. Then fold along the dotted line to make the card. The front side can be where you draw a picture about the party. You can also draw on any of the blank pages. For example, you may want to include a map on the back cover that shows where the celebration will be held.

You're invited to:

Date:

Time:

Place:

Details:

ACTIVITY

Fold an origami acorn

Paper 1

1. Using a square piece of paper, fold it in half along the diagonal to make a triangle.

2. Take your origami triangle and fold it in half again to make a smaller triangle. Then open it back up.

3. Fold the top point down and past the bottom edge by around 1cm.

4. Fold the point back up. This time you want to fold the point up and past the top edge around 1cm to create a zig-zag fold. Set this piece aside.

Paper 2

5. Next, make the acorn nut. Fold a second square piece of paper into a rectangle. Then open it back up.

6. Take the left-hand side and fold it in to meet the middle crease. Repeat on the right-hand side.

7. Take your folded origami paper and fold the top edge down.

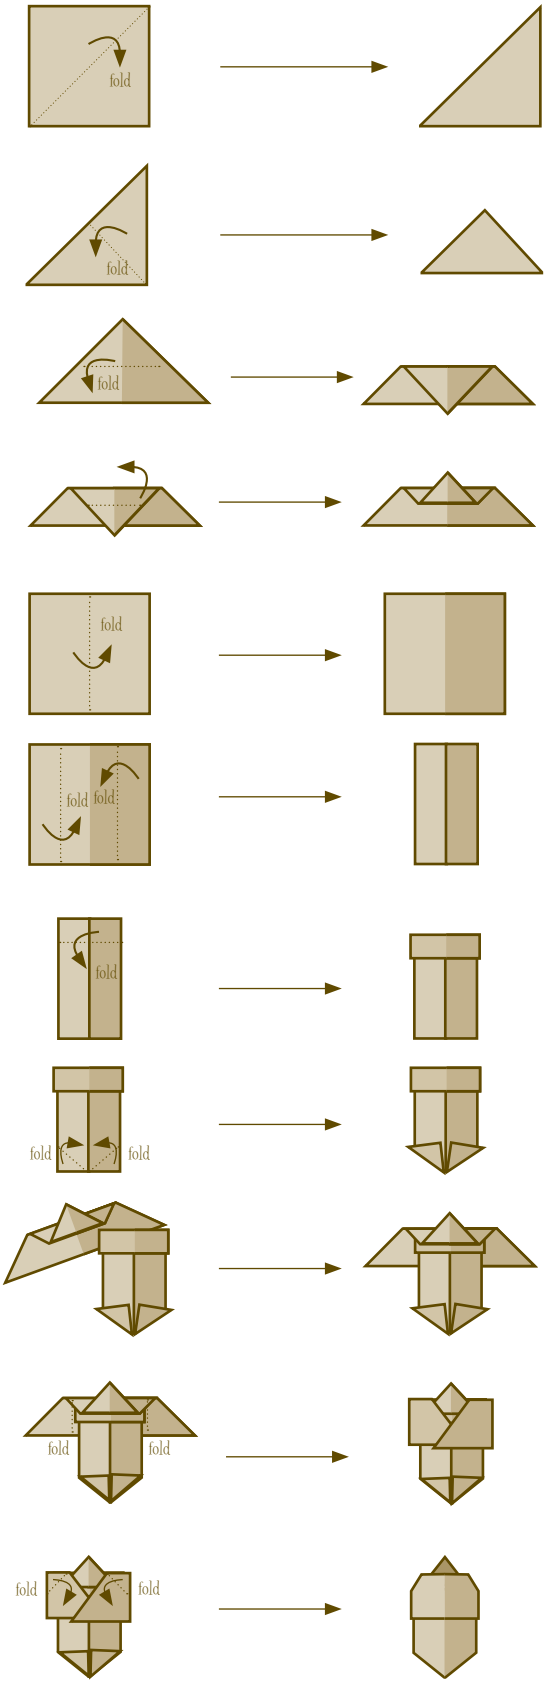

8. Fold the bottom two corners in to meet in the middle to make 2 small triangle folds.

Both pieces of paper

9. Take your two folded pieces of paper and slide the acorn nut under the zig-zag fold of the acorn cup.

10. Fold the right-hand side of the acorn over to the left. This will make a small pocket. Repeat and fold the left-hand side over to the right. Take the left-hand side and slide it into the right pocket. Crease and press flat.

11. Fold the top two corners in to make small triangle folds and give shape to the top of the acorn. You may need glue to hold the flaps in place. Flip over to reveal the finished origami acorn.

ACTIVITY

Make your own Spring Fortune Teller

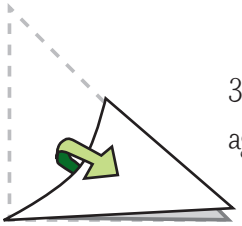

Instructions: Fold your own Spring Fortune Teller by following the diagrams below.

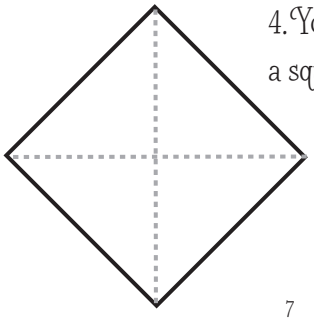

1. Start with a square piece of paper.

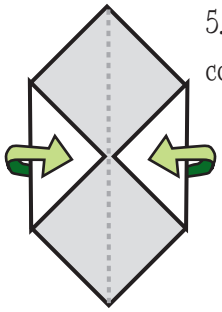

2. Fold in half diagonally.

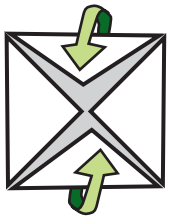

3. Then fold again, diagonally.

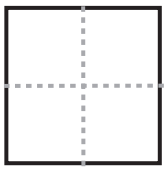

4. You should now have a square with creases.

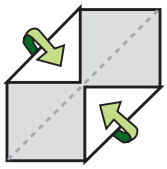

5. Fold in the two side corners.

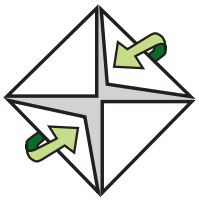

5. Fold in the two top corners.

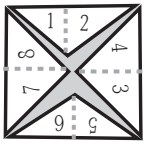

6. Flip over

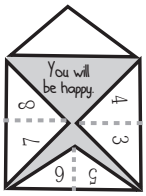

7. Fold in top left and bottom right corner.

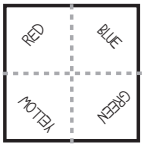

8. Fold in top right and bottom left corner.

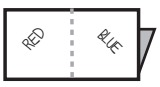

9. Number the eight flaps that open in pairs.

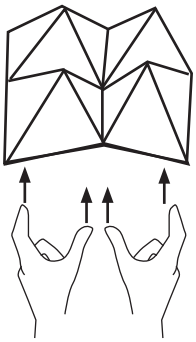

10. Write fortunes inside.

11. Flip over and either color the squares or write the color names.

12. Fold in half.

13. Slip fingers inside the flaps to open up.

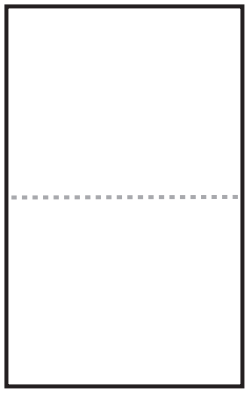

Begin with the thumb and index fingers of each hand in the four pockets. Have the person whose fortune is being pick one of the colors on the top four flaps. If the color is blue, spell out the letters of blue while alternating a pinching and pulling motion with the Teller. Each pinch will expose four of the numbers on the inner flaps, and each pull will expose the other four numbers. After spelling out B-L-U-E, the Teller will be showing one of the sets of four numbers. The other player will then pick one of those numbers, and the responding action is the alternating pinch and pull from the first round, except it continues with a counting of the number instead of spelling the color. Once the number has been counted, four numbers will be exposed. After one is picked, the fortune under that number is read.

ACTIVITY

Make your own book for the Heartwood Hotel Library

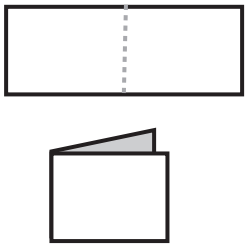

Instructions: Create your own book by following the instructions below.

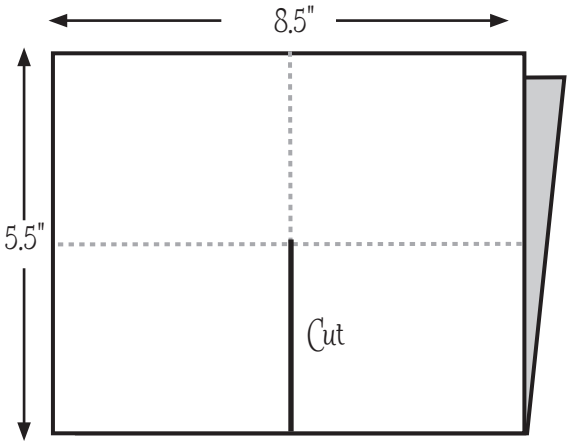

1. Start with a 8.5 x 11 page and fold it in half.

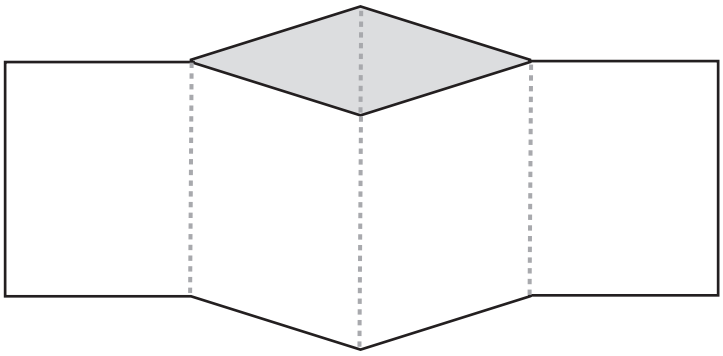

2. Fold the page in half again.

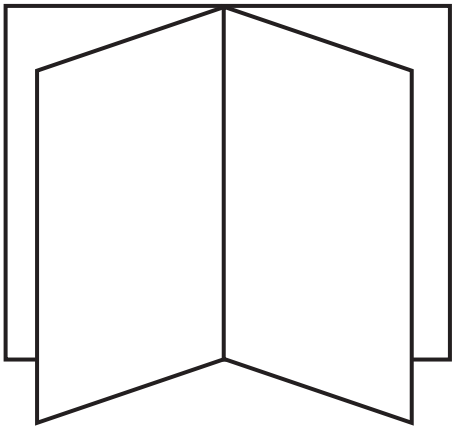

3. And again!

4. Open and cut halfway up, beginning at the fold. Open and refold to 11 x 4.25.

5. Push in the ends . . .

6. . . . and you have a miniature book. Fill the pages with words and pictures, and you will have the perfect book to fit the library in the Heartwood Hotel.
